Wells Fargo Grant Awarded

Monument, CO, October 15, 2009. The Tri-Lakes Health Advocacy Partnership (HAP), an established non-profit organization located in north El Paso County, was awarded a \$1500 grant from the Wells Fargo Community Assistance Fund.

The grant was presented by Steve Helbing, Wells Fargo Regional President, to Tri-Lakes HAP Board President, Mark Ennis.

In thanking Mr. Helbing and Wells Fargo, Mr. Ennis explained the grant will help sustain and expand HAP's successful Senior Alliance Program by contributing to our Senior Meals service project. It will also help strengthen and expand the Senior Citizens Center programs at Lewis Palmer High School, a partnership between Tri-Lakes HAP and School District 38.

HAP was established in 1996 as a non-profit organization serving Monument, Palmer Lake, Woodmoor, Gleneagle, and unincorporated areas of northern El Paso County. The Tri-Lakes HAP mission is to improve the health and well being of the Tri-Lakes community through community based services and support.
